SENATE BILL No. 412

A BILL FOR AN ACT to amend the Indiana Code concerning motor vehicles.

Be it enacted by the General Assembly of the State of Indiana:

1 SECTION 1. IC 9-13-2-45 IS AMENDED TO READ AS
2 FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 45. "Distributor" means
3 a person, other than a manufacturer or wholesale dealer, who is
4 engaged in the business of selling motor vehicles to dealers located in
5 Indiana. The term includes a distributor's branch office or the
6 distributor's representative. **The term does not include a recreational**
7 **vehicle manufacturer.**

8 SECTION 2. IC 9-13-2-93.5 IS ADDED TO THE INDIANA CODE
9 AS A **NEW** SECTION TO READ AS FOLLOWS [EFFECTIVE JULY
10 1, 2002]: **Sec. 93.5. "Line make" means the name given by a**
11 **manufacturer to a line of motor vehicles to distinguish it as**
12 **produced or sold by the manufacturer and that may be used and**
13 **protected as a trademark.**

14 SECTION 3. IC 9-13-2-97 IS AMENDED TO READ AS
15 FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 97. (a) "Manufacturer"
16 means, except as provided in subsection (b), a person engaged in the
17 business of constructing or assembling vehicles, of a type required to

be registered under IC 9-18, at an established place of business in Indiana. The term does not include a converter manufacturer **or recreational vehicle manufacturer**.

(b) "Manufacturer", for purposes of IC 9-23, means a person who is engaged in the business of manufacturing or assembling motor vehicles or major component parts of motor vehicles, or both, and sells motor vehicles to dealers, wholesale dealers, distributors, or the general public. The term includes the following:

(1) A factory branch office of the manufacturer.

(2) An authorized representative of the manufacturer.

(3) A partnership, a firm, an association, a joint venture, a limited liability company, a corporation, or a trust, resident or nonresident, that is controlled by the manufacturer.

The term does not include a converter manufacturer **or recreational vehicle manufacturer**.

SECTION 4. IC 9-13-2-191.5 IS ADDED TO THE INDIANA CODE AS A **NEW** SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002]: **Sec. 191.5. "Uniform time standards manual", for purposes of IC 9-23-3, has the meaning set forth in IC 9-23-3-0.5.**

As used in this chapter, "uniform time standards manual", for purposes of IC 9-23-3-14(c), means a schedule established by a manufacturer or distributor setting forth the time allowances for the diagnosis and performance of warranty work and service.**

SECTION 6. IC 9-23-3-14 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002]: **Sec. 14. (a) This section does not authorize a manufacturer or distributor and its franchisees in Indiana to establish a uniform hourly labor reimbursement rate effective for the entire state.**

(b) It is an unfair practice for a manufacturer or distributor to fail to compensate to a dealer the posted hourly labor rate for the work and services the dealer is required to perform in connection with the dealer's delivery and preparation obligations under any franchise or fail to compensate to a dealer the posted hourly labor rate for labor and other expenses incurred by the dealer under the manufacturer's warranty agreements as long as the posted rate is reasonable. Judgment of the reasonableness includes consideration of charges for similar repairs by comparable repair facilities in the local area as well as mechanic's wages and fringe benefits.

(c) A manufacturer or distributor and a majority of its franchisees in Indiana of the same line make may agree in an express written contract citing this section to a uniform warranty reimbursement policy to be used by franchisees for the performance of warranty repairs. The contract must include the reimbursement for parts used in warranty repairs or the use of a uniform time standards manual, or both. The allowance for diagnosis within the uniform time standards manual must be reasonable and adequate for the work and service to be performed.

The manufacturer or distributor shall have:

- (1) only one (1) agreement with each line make; and
- (2) a reasonable and fair procedure for franchisees to request a modification or adjustment of a standard included in the uniform time standards manual.

(d) A contract described in subsection (c) must meet the following criteria:

- (1) Establish a uniform parts reimbursement rate that must be greater than the manufacturer's or distributor's nationally established parts reimbursement rate in effect at the time the contract becomes effective. A subsequent contract must include a uniform reimbursement rate that is equal to or greater than the rate in the immediately prior contract.
- (2) Apply to all warranty repair orders written while the agreement is in effect.
- (3) At any time during the period the contract is in effect:
 - (A) be available to any franchisee of the same line make as the franchisees who entered into the contract with the manufacturer or distributor; and
 - (B) be available to the franchisee of the same line make on the same terms as apply to the franchisees who entered into the contract with the manufacturer or distributor.
- (4) Be for a term not to exceed three (3) years.
- (5) Allow any party to the uniform warranty reimbursement policy to terminate the policy with thirty (30) days prior written notice to all parties upon the annual anniversary of the policy, if the policy is for at least one (1) year.
- (6) Remain in effect for the entire life of the original period if the manufacturer and at least one (1) franchisee remain parties to the policy.

(e) A manufacturer or distributor that enters into a contract with its franchisees under subsection (c) may only seek to recover its costs from a franchisee that receives a higher reimbursement

rate, if authorized by law, subject to the following:

(1) Costs may be recovered only by increasing invoice prices on new vehicles received by the franchisee.

(2) A manufacturer or distributor may make an exception for vehicles that are titled in the name of a purchaser in another state. However, price increases imposed for the purpose of recovering costs imposed by this section may vary from time to time and from model to model and must apply uniformly to all franchisees of the same line make that have requested reimbursement for warranty repairs at the prevailing retail price charged by the dealer.

(f) A manufacturer or distributor that enters into a contract with its franchisees under subsection (c) shall do the following:

(1) Certify to the bureau under oath, in a writing signed by a representative of the manufacturer or distributor, that at the time the contract was entered into a majority of the franchisees of the line make were parties to the contract.

(2) File a copy of the contract with the bureau at the time of the certification.

(3) Maintain a file that contains the information upon which the certification required under subdivision (1) is based for three (3) years after the certification is made.
